

FULLY AUTOMATIC COMPACT COFFEE MACHINE ECAM23450S

NEW COMPACT SIZE

This new model is redefining the compact coffee market. Designed as a space saver without compromising all the benefits of a fully automatic coffee machine.
238x 430x 338 (mm)

AUTOMATIC CAPPUCCINO

Patented "Automatic Cappuccino": simply place the cup under the nozzle and press the Cappuccino button. You'll get a perfect Cappuccino! The stainless steel Cappuccino system is ideal to produce a rich, creamy froth for great cappuccinos and lattes.

EASY TO USE

Easy push button controls with user friendly display showing the selected quantity of ground coffee and water, the missing water and the descaling cycle.
