MAGNIFICA DIGITAL

The Magnifica Digital features an electronic display making it ultra-easy to use. You can choose from short to medium, to long and try a strong or extra mild aroma.

"CRF TECHNOLOGY"

With the CRF Technology (Compact Reliable Fresh) the Magnifica features a compact, Tubeless System. As the beans are ground instantly the Tubeless System always guarantees a perfect cup of coffee, with a perfect aroma at the ideal temperature.

A PERFECT "MADE-TO-MEASURE" COFFEE

Just enter the menu and you can memorise your favourite espresso: its temperature, the quantity of ground coffee and the quantity of water.
